## USE AND CARE INFORMATION FOR LIZA PRODUCTS

### Cleaning in dishwasher

Liza brand products with  specified on them can be safely washed in dishwasher. Place the product securely on the top shelf of the dishwasher. Do not keep the products touching the heating element as they will melt or warp. To avoid stain rinse immediately after use, before placing in the dishwasher.

### Cleaning in sink

Use warm soapy water and a soft cloth or sponge. Dry with soft towel or air dry away from direct heat. Avoid any abrasive they will dull the finish or leave scratches. Do not use scrubbers. To avoid stain rinse immediately after use.

### Storing empty containers

Store empty containers without their lid on (to keep containers air fresh). Keep all Liza products away from sharp utensils that can scratch smooth surfaces.

### Storing food

Cool hot liquid that contains fat, before you keep them in containers, bowl or dishes. Soups, sauces, oils, or cooking grease can get hot enough to damage the containers. When use to store hot beverages made with boiling water let the liquid cool before handling the containers. Use plastic or wooden spoons to avoid scratches.

### Microwave cooking instructions

Use only microwave safe Liza products for microwave cooking reheating. These products will come with engraved on them.

Do not use products in conventional oven, under a grill or a stove or in convection (baking) mode of microwave oven.

Always use pot holders to handle hot containers.

Products are not recommended to make popcorn.

Do not use containers in microwave with lid closed, unless the lid has vent on it. In which case keep the vent open.

- Reheating tomato base sauces and food may cause staining.

## SYMBOLS YOU WILL SEE ON LIZA PRODUCTS

- Product is made from poly propylene (pp) material. These products are Recyclable & Reusable.

- Product is made from certified food grade material

- Product is made from pet material. Refrigerator safe. Non microwave nor dishwasher safe.

- Product is made from polystyrene material not microwave safe nor dishwasher safe. These products are fragile.

- BPA free- this means product does not contain harmful chemical biphenyl-A

### Note:

**All dimensions are in millimeters. (LXBXH)**

**Dimensions and capacity shown for all products are approximate.**
